Here are some tips to help you complete the Puget Sound Regional Travel Study.

How do I go from question to question?

After you have answered all questions on a page, use the “Next” button at the bottom of the screen to advance. If you need to back up, click the “Previous” button. Please do not use your web browser’s “Back” button.

What if I need to stop taking the survey before I finish?

No problem. You can always return to the website later and pick up from where you left off. All of your answers will automatically be saved for you.

Now, let’s get started.

Thank you again for your participation! Next Steps:

We will remind you

We will provide a reminder to tell us about the trips each member makes on Sunday, April 26, 2015. We will only contact you by phone if you prefer to be contacted that way.

Keep track of your trips

Please remember to ask EACH adult member of your household to keep track of all the trips they make on Sunday, April 26, 2015. In addition, adults will need to log trips for children under 18. You may use the [Travel Log](#) that was sent in the mail to keep track of the details of your trips.

Return to the website to report your trips

Starting on Monday, April 27, 2015, each adult member of your household may return to this website to record the trips made that day. At this time, adults can also log trips for children under 18. Your household's individual travel surveys will be available for one week after your travel date.

OR call in to report your trips

You may also call toll-free 1-844-393-4436 to complete the survey over the telephone.

And you're done!

Once your household has completed the survey, we will send you your gift card within 10 business days.

Members	Status
Adult	Let's get started!
Wife	Let's get started!
child	Let's get started!

Note: Children under the age of 5 do not complete a travel diary

To better understand how households are completing the study, we would like to know if someone other than **Adult** is filling out this portion of the survey.

Are you **Adult or are you filling out this survey on **Adult's** behalf?**

- I am Adult and I am answering this survey
- I am answering this survey for Adult and Adult IS here with me to provide answers
- I am answering this survey for Adult and Adult is NOT here with me to provide answers

Your day began at Home and ended at Home.

Did you make any trips on Sunday, April 26, 2015, even if it was just a short trip such as a walk or bike ride?

- Yes
- No

What is a trip?

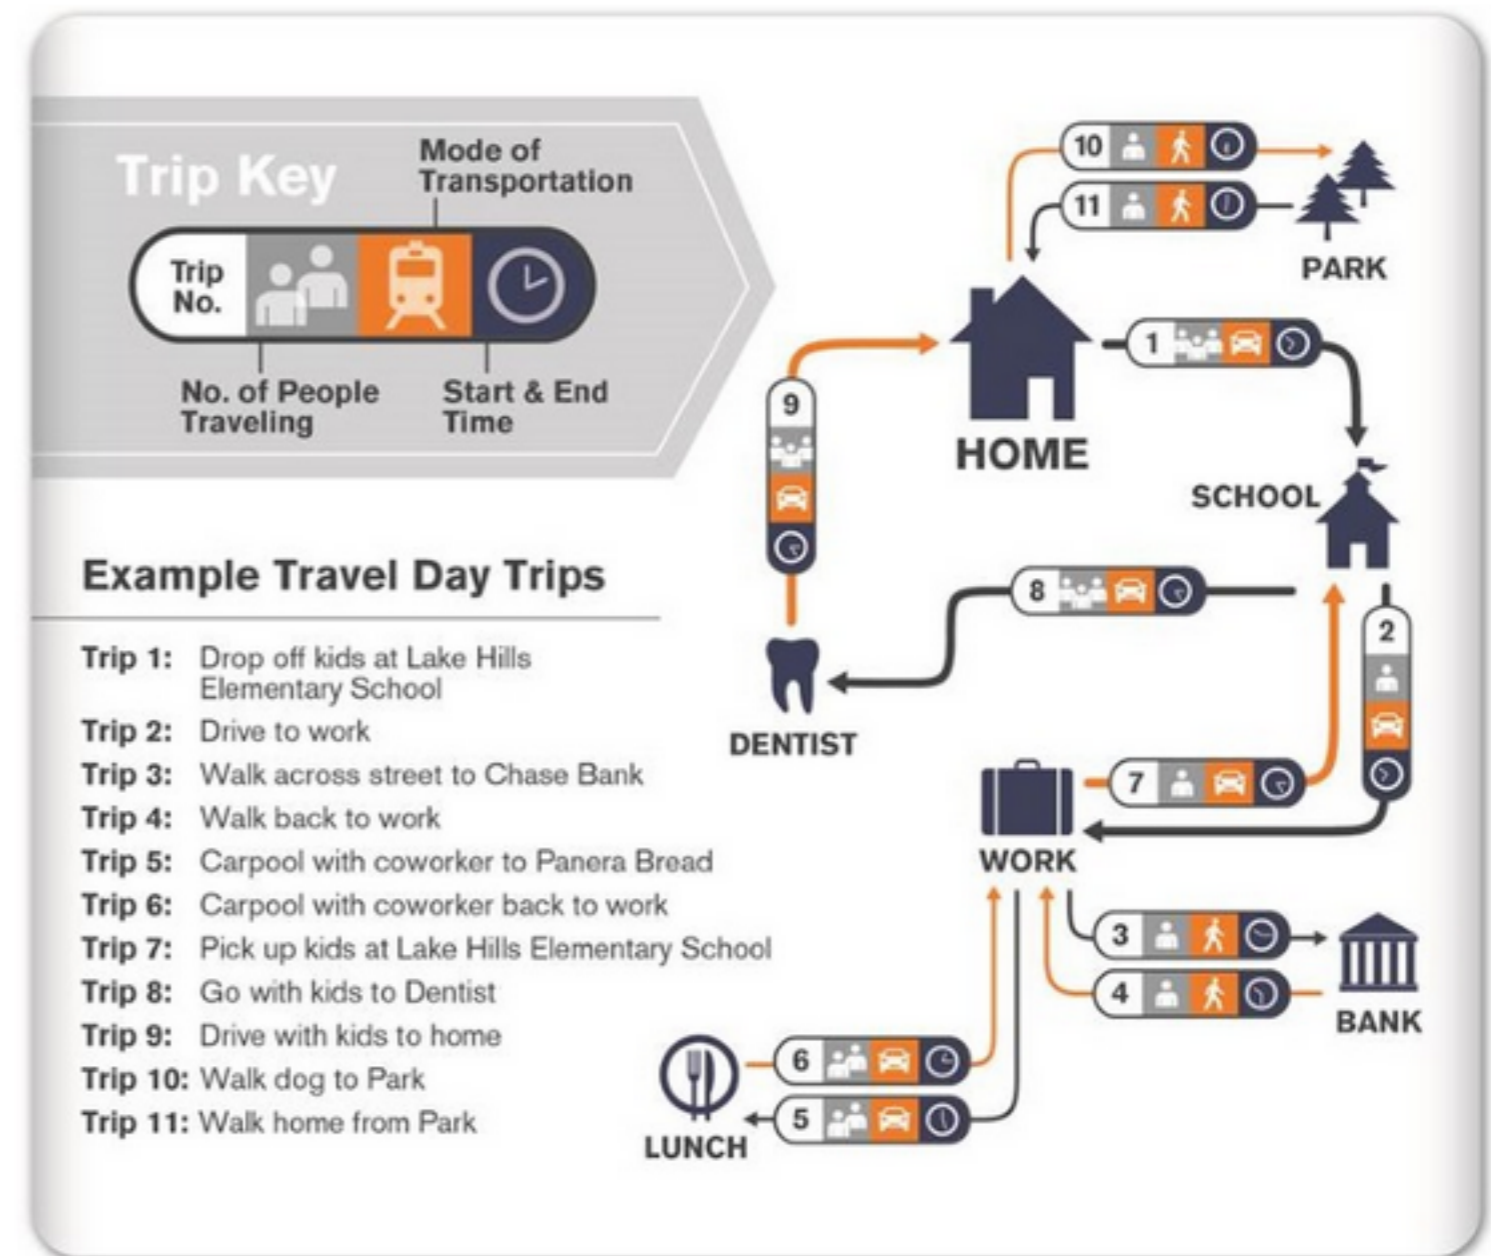

Anytime you travel for 5 or more minutes and stop at a new location, that equals 1 trip. Even if you stop briefly for gas, at an ATM, or to drop a child off at school, each stop equals 1 trip.

What are some example trips?

- Drive to work
- Ride the bus to the bank
- Bike to the grocery store
- Get a ride to the movies
- Walk to school

What if I go out, but don't make a stop (e.g. to walk the dog or go for a bike ride)?

Please report 2 trips. The place that was farthest from where you began (such as the place that you turned around on your bike ride) is your "destination."

Why didn't you travel or make any trips on Sunday, April 26, 2015?

- No need to go anywhere all day
- Wanted to travel, but was unable to for personal reasons

We would now like to ask you some questions about your work. For many people travel to, from, and for your job is a major part of your travels around the Puget Sound region and can also affect other daily travel in the region.

How many hours per week do you work?

How often do you commute to your primary workplace?

How often do you telecommute?

How long have you been commuting to this location/office?

Do you drive for a living or need to drive a lot as part of your job?

Does your job involve evening or overnight shifts where you have to commute to your place of employment?

Do you choose the times you go to/from work in order to avoid traffic congestion?

Do you choose the way you travel to/from work based on the weather (e.g bike in the summer but drive in the winter)?

« Previous

Next »

How do you typically commute to work?

Please continue to think about your primary job where you work the most hours per week.

- Drive alone
- Drive/ride ONLY with other household members
- Drive/ride with people not in household (may also include household members)
- Motorcycle/moped/scooter
- Vanpool
- Bicycle
- Walk, jog, or wheelchair
- Bus (public transit)
- Train (rail and monorail)
- Ferry or water taxi
- Streetcar
- School bus
- Taxi or other hired car service (e.g. Lyft, Uber)
- Paratransit
- Airplane or helicopter
- Private bus or shuttle
- Other (e.g. skateboard, kayak, motor home, etc.)

Thank you for your answers so far. The next few questions are about autonomous cars.

Autonomous cars, also known as “self-driving” or “driverless” cars, are capable of responding to the environment and navigating without a driver controlling the vehicle. Advantages of autonomous car usage include the potential for reduced congestion, increases in parking capacity, and faster travel times.

What is your level of interest in the following uses of autonomous cars?

	Very interested	Somewhat interested	Neutral	Somewhat uninterested	Not at all interested	Don't know
Commuting with others (carpool) using a shared autonomous vehicle	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
