

Thank you for participating in the Puget Sound Regional Travel Study.

The next step is to keep track of all the trips your household makes **tomorrow, Tuesday, April 21, 2015** (your assigned travel day).

To help keep track of your trips, we encourage each person in your household to use their [Travel Log](#).

On **Wednesday, April 22** (after your travel day is over), please go online or call us:

1. Log in to the secure website: <https://survey.psrc.org/go>

or

2. Call toll-free: **1-844-393-4436** (Mon-Fri: 9am-8pm, Sat: 9am-5pm), or leave a message with the best time and number to call you back.

Feel free to forward this reminder to other members of your household. You share a password with the rest of your household, so the unique link to the survey in this message will work for everyone.

**Once your entire household has completed the survey, we will send you a \$10 Starbucks gift card within 10 business days.**

Thank you again for helping to improve transportation in the Puget Sound region!

Thank you for participating in the Puget Sound Regional Travel Study.

Don't forget: the next step is to complete the travel diary portion of the study. Please log in or call us to report all the trips your household made **yesterday, Tuesday, April 21, 2015** (your assigned travel day).

**Participation is easy:**

1. Log in to the secure website: <https://survey.psrc.org/go>

or

2. Call toll-free: **1-844-393-4436** (Mon-Fri: 9am-8pm, Sat: 9am-5pm), or leave a message with the best time and number to call you back.

(Tip: You can use a [Travel Log](#) to remind yourself about the trips you made.)

Keep in mind that if two or more household members are on the same trip, only the first household member has to enter all of the details about that trip. If that person selects which household members accompanied them, those members can then copy the time and location details of that trip into their own travel diary to save time.

Feel free to forward this reminder to other members of your household. You share a password with the rest of your household, so the unique link to the survey in this message will work for everyone.
