Review Key

Purple text denotes a text change
Red text denotes dynamic text, survey logic, or notes for the programmers.
Slides with grey backgrounds (like this one) contain answer options for drop downs and additional logic and notes.

Environment & Administration

Live/Main
Survey url - https://survey.psrc.org/go
Internal Database name – psrc2017
Website – https://survey.psrc.org

The 2017 Main Study administrations will use 1 password batch format that includes:
Password, Prefix, Seg(ment), TravelMonth, TravelDay, TravelYear, TravelDOW

Main survey unique ID passwords
- See sample plan for geographic detail
- An "extra" segment (segment=99) (e.g. RSG/ PSRC staff "test" passwords, volunteer passwords, etc)
- The programmer will use the "Seg" column to distinguish between the primary "segments"

Participation Groups
- HHs will complete the recruit survey (Part 1) and will be assigned to a "Group" at the end
  - Group 1: HHs where ALL adults (18+) own compatible smartphones may opt into rMove (up to a weekly recruit quota to retrieve 20% sample) – these HHs will be assigned an rMove travel week (see below)
  - Group 2: All other HHs will complete one-day diary for preassigned travel date

26 main travel dates (9 weeks) - Tue/Wed/Thur each week from April 4 to Jun 1.
- 12 travel dates in April (4,5,6,11,12,13,18,19,20,25,26,27)
- 14 travel dates in May (2,3,4,9,10,11,16,17,18,23,24,25,~~30~~,31) (skip Tue May 30 as preassigned date – day after Memorial Day – but last rMove travel week will still begin May 30)
- 1 travel date in June (1)

Online data will be collected from **March 27 (recruit survey opens)** through **June 9 (last diary expires)**

rMove HHs will be reassigned to a 7-day travel period that begins on the next Tuesday at least 6 days (4 business days) after they complete the recruit survey
rMove data will be collected from **April 4 (first assigned travel date)** through **June 12 (1 week after last date)**

Environment & Administration

Expiration for rSurvey:
The survey will expire **9 days*** after the respondent's assigned travel day and will be handled:

1. If respondent has not started the recruit survey (Part 1), the intro page will detect that the survey has expired, display an expiration message, and hide the 'Next' button.
2. If respondent is in-progress in the recruit survey, the respondent will see the expired message upon reaching the dashboard if they are in the Diary group. rMove households may still be reassigned to the next travel week if the quota has not been met.
3. If respondent has completed the recruit survey and is in the Diary group, the respondent will see expiration message upon reaching the dashboard.

*Note: expiration is 9 days after travel date, including the travel date. For example, if the travel date is Tuesday, April 4, the survey will expire at the end of the day on Wednesday, April 12

Final rSurvey expiration date: 11:59 PM, June 9, 2017

Expiration for rMove:

1. The rMove app will allow people to log in through the last day of the assigned travel period (though households that activate after two days will not be eligible to meet the "Incentive Complete" criteria).
2. Once a participant is logged into rMove, they may complete the surveys in their app up to one week after the last day of their travel period.
3. The diary "preference" surveys will be available on the online survey dashboard beginning on their first travel date (and remaining available until the end of the study)

Environment & Administration

Translation options:

PSRC will be offering translation services over the phone for common languages used in the region. The Password page and Intro page of the survey will show the following note in the appropriate language if the survey detects that the default browser language is one of those listed below.

Message content (approximate English equivalent):

Translation services are available. If you received the survey in the mail and need help completing it in your native language, please contact us at 206-587-4819. Thank you for your support and participation in improving transportation in the Puget Sound region.

Languages available:

- Spanish
- Chinese
- Russian
- Vietnamese
- Korean
- Tagalog (Filipino)

Additionally, a Google Translate bar will be incorporated into the survey for these languages.

Environment & Administration

Completion Criteria

For the Diary group, there is one completion level for incentives and dataset inclusion: all household members age 5+ must complete the online diary (answering every question).

- An adult will report diaries for children age 5-17 by proxy
- Children under age 5 will have trips derived when they are reported on trips with older household members

For the rMove group, there are two completion levels:

1. "Incentive complete": to receive the incentive, all adult participants must complete at least 5 full days of surveys (trip and daily surveys) in rMove AND all "preference surveys"
2. "Data complete": to be included in the dataset, the household must have at least one fully complete day (all adults complete all surveys on 1+ concurrent days)
3. In both cases, trips for children under age 18 will be automatically copied when children are on a trip with one or both adults; one adult (Person 1 who completes the recruit survey) will also be asked to add independent child trips by proxy. Daily surveys will not be asked for children in rMove.
4. rMove participants will be asked to answer the "preference surveys" (the typical behavior / opinion questions online, same as those after the online diary). However, failure to complete these questions will not disqualify them from being counted as "data complete"

Environment & Administration

Metadata

Data collected in the database that is not an explicitly asked question in the survey. Note, this data is only used for survey administration (i.e. assisting participants) and is not included in the final dataset.

Thank you for your participation!

The purpose of the Puget Sound Regional Travel Study is to better understand the travel patterns and travel needs of residents like you. Your participation is very important to us and your responses *will* have a significant impact on future transportation planning decisions throughout the region.

This study is conducted by © Resource Systems Group, Inc. 2017, for the Puget Sound Regional Council.

Your privacy will be protected. Please click here to view our privacy policy. If you have any questions or concerns, please email help@psrc.org or call toll-free: 1-844-247-8189. You may also visit the study website.

Here are some tips to help you complete the Puget Sound Regional Travel Study.

How do I go from question to question?

After you have answered all questions on a page, use the “Next” button at the bottom of the screen to advance.

If you need to back up, click the “Previous” button. Please do not use your web browser’s “Back” button.

Can I complete this survey on a mobile device?

We recommend taking the survey on a tablet or laptop/desktop, but the survey will also work on smartphones.

What if I need to stop taking the survey before I finish?

No problem. You can always return to the website later and pick up from where you left off. All of your answers will automatically be saved for you.

Now, let’s get started.

Previous Next

STUDY OVERVIEW

This study has 2 parts

1 HOUSEHOLD INFO SURVEY

2 TRAVEL DIARY SURVEY OR rMOVE TRAVEL APP

When do I take the survey?	As soon as convenient	After your assigned travel day	During your assigned travel period
Who takes the survey?	You	All adults (an adult should also report trips for children under 18)	
How long will the survey take?	About 15 minutes	About 5 minutes per person	About 5 minutes per person per day
What is the survey about?	We ask you about your household and the vehicles you use.	We ask about the details for all the trips made during your assigned travel period.	

After completing both parts, your household will receive your choice of an Amazon.com or Starbucks gift card.

How many motor vehicles (in working order) are there in your household?

Please include all motor vehicles that your household regularly uses.
Please include cars, trucks, SUVs, vans, RVs, & motorcycles (whether owned, leased, or a company vehicle).

Please do NOT include uninspected/unregistered motor vehicles or carshare vehicles that you regularly use (e.g., Zipcar, Car2Go, ReachNow).
Please do NOT include vehicles such as ATVs, snowmobiles, trailers, golf carts, or watercraft.

- ○ 0 (no vehicles)
- ○ 1
- ○ 2
- ○ 3
- ○ 4
- ○ 5
- ○ 6
- ○ 7
- ○ 8
- ○ 9
- ○ 10 or more vehicles

"household?" pop-up text:

Your household includes everyone who lives in your home, including roommates, relatives, friends, and household help.

Previous Next

This page is shown for each vehicle in the household. This page is only shown if the household has 1 or more vehicle(s).

Please tell us about the vehicles in your household.

vehicle answer options

Wherever relevant, make the answer values match 2015 answer values

[vehicle_details_year]	Lists every year between 1980-2017, in reverse chronology. “1980 or older” is listed as the last/bottom choice.
[vehicle_details_make]	Dynamic list of vehicle makes (e.g. Honda, Ford), including “Other” and “Motorcycle”; dynamically populated based on selected vehicle year
[vehicle_details_model]	Dynamic list of vehicle models, dynamically populated based on selected vehicle make
[vehicle_details_fueltype]	Gas Diesel Hybrid Flex Fuel Electric Biofuel Natural gas Other
[vehicle_details_pass]	No Yes Prefer not to answer
[vehicle_details_purch_year]	Use the same list of years as “Year” - but filter so earliest year shown is the year before the make year

Is anyone in your household a member of a car share program (e.g. Car2Go, RelayRides, ZipCar, ReachNow)?

Please select all that apply.

- ○ Yes
- ○ No

Pop-up text:

Car sharing is a type of self-service car rental where designated cars are available to be rented by members on an as-needed basis, typically for a short period of time.

Previous Next

How many total people (including yourself) currently live in your household?

Please include yourself, all other adults, all children, all roommates, and any household help who normally reside with you in your home.

Please do not include people who live away at school or college.

Pop up text: Need help using the map?

Map instructions:

1. Click on the map to zoom in (or pinch to zoom in on a touchscreen). You can pan up, down, left, or right at any time by clicking and dragging the map.
2. When zoomed in close enough, clicking a location on the map will place a marker.
3. Continue clicking to adjust your marker until you have located the correct place.

Pop up text: Need help locating the address?

Helpful tips for locating your address:

- If the address displayed doesn't match your intended address exactly, you can select the closest available (e.g., “1-50 Main Street" can be used instead of "32 Main Street“).
- If you’re locating your address using the map and you’re unable to click the building itself, click the road in front of the building and place the marker there instead.

If prefers not to answer narrower income levels

Would you be willing to tell us more generally about your household's 2016 income?

We ask this question to help understand how closely the people who participate in this study represent the region's population as a whole. It also helps the Puget Sound Regional Council understand how residents are impacted by different transportation projects, policies and costs.

Your answers will be grouped with answers from all other participating households, and your privacy will be protected within the bounds of the law. Please see our privacy policy for more information about how we protect your privacy.

- ○ Under $25,000
- ○ $25,000–$49,999
- ○ $50,000–$74,999
- ○ $75,000–$99,999
- ○ $100,000 or more
- ○ Prefer not to answer

This page is only shown to rMove-qualified households:
- All adults (age 18+) have compatible smartphones AND # rMove HHs assigned to next travel week < target

Thank you again for your participation. You are almost done with Part 1 of the study.

Your household has been selected for the opportunity to complete Part 2 of the study using a smartphone app instead of reporting your trips online or over the phone.

If you choose the smartphone study, you will be asked to download a smartphone app (rMove) that will track your trips and ask you brief questions each day for one week. You will begin this part of the study on <**rMove_traveldate**>. *<hide if seg99>* Once your household has completed the study, **each participant will receive a $15 gift card of their choice as thanks.**

<If num adults > 1> Please note that all adults in your household must use the smartphone app for one week in order for your household to complete the study.
<if num children > 0> You will also be asked to add trips made by the child(ren) in your household.

If you prefer to complete Part 2 online or over the phone you will report all of your household's trips for one day on **<diary_traveldate>** (your original travel date). *<hide if seg99>* After completing the study, **your household will receive one $10 gift card of your choice as thanks.**

Would your household like to participate in the smartphone study for Part 2?

- Yes, my household would like to participate in the smartphone study for one week beginning <rMove_traveldate> *<hide if seg99>* at $15 per participant
- No, my household would like to continue participation with my original one-day travel date (<diary_traveldate>) *<hide if seg99>* at $10 per household

For more information about participating with the smartphone app rMove, please visit the rMove website or see the smartphone study FAQs on the study website.

If segnum in (42, 43): The City of Redmond will also provide your household with an additional $10 after you

Categorization of Households

Grouping rules:

Group 1:

- ALL HH members age 18+ have their own qualifying smartphone (newer Android or Apple)
- AND recruit target for rMove travel week has not yet been met (checked once in previous question, no need to check again)
    - Target will be set per travel week (and can be adjusted mid-study) – will be based on expected rMove conversion rates and documented in a separate spreadsheet
    - Starting target = max 140 rMove HHs recruited/week (aiming for 62 rMove HH completes/week, assuming 45% convert rate)
- AND Household opts in (previous question)

All adults will be required to participate via rMove (on own phones)

- Person 1 (completing recruit) will be assigned to report child trips by proxy on their phone

Bottom line: 100% smartphone participation: HHs use their own phones

Travel period: reassigned (replaces preassigned TD) based on when they recruit (see next slide). All rMove HHs assigned to 7-day period, always begins on a Tuesday.

Group 2:

- Not all HH members age 18+ have their own qualifying smartphone (newer Android or Apple) OR they opt out OR the target is met

HHs are not given choice of how to participate. All HH members age 5+ will participate using the online diary.

Bottom line: HHs participate using 1-day travel diary online or over the phone

Travel period: Keep original (preassigned) travel date.

rMove Travel Date assignment

Group 1

Travel period: reassigned (replaces preassigned TD) based on when they recruit. All rMove HHs assigned to 7-day period, always begins on a Tuesday.

Assignment logic based on when they recruit (date when they see the rmove_optin page):

If recruits on:	Travel week start in:	Example recruit day:	Example travel week start:
Sunday	9 days	Sun Mar 19	Tue Mar 28
Monday	8 days	Mon Mar 20	Tue Mar 28
Tuesday	7 days	Tue Mar 21	Tue Mar 28
Wednesday	6 days	Wed Mar 22	Tue Mar 28
Thursday	12 days	Thu Mar 23	Tue Apr 4
Friday	11 days	Fri Mar 24	Tue Apr 4
Saturday	10 days	Sat Mar 25	Tue Apr 4

Contingency: if they see the rMove_optin page on one day, but don't submit the recruit survey until a later date, update the travel date and include a warning / notice on the dashboard informing them about the change. (Shouldn't affect most people – most finish recruit on same day they start)

Thank you for participating in the smartphone study! There are just a few more questions in Part 1 to prepare your household for Part 2.

Don't show any incentive info to volunteers (seg 99).

After your household completes Part 2 of the survey, we will send each adult a $15 gift card as thanks.

If extraincentive=1: Congratulations! Your household has been selected to receive an additional $10 after completing Part 2 of the study.

What type of gift card would each person like to receive after participating in Part 2 of the survey?

Please <also> provide an email address where we can send <the gift card and> more information about the survey.

You will only be contacted for this survey and your information will be protected within the bounds of the law. Please see our privacy policy for more information.

Show list of HH members: Repeat sequence for each member in the household age 18+

<HH member 1 Name>:

rMove Incentives details: response options and logic (Group 1)

Incentive options:

- Amazon e-gift card (delivered by email)
- Starbucks e-gift card (delivered by email)
- None – prefer not to receive a gift card

Email specs:

- *Text box allowing 200 characters*
- *If text is entered, validate correct format*
- *Show warning message if same email address is used for multiple people (see below - encourage unique, helps with response), but allow non-unique emails*

Email requirements:

- *REQUIRED if Group 1.*

Pop-up warning if same email is entered for multiple persons: We noticed you have entered the same email address for multiple people. If possible, we encourage you to provide the best unique email for each participant to make sure everyone in your household receives their instructions and is able to participate on time.

Group 2: Diary households

Thank you again for your participation. You are almost done with Part 1 of the study.

Don't show any incentive info to volunteers (seg 99).

If extraincentive=1: Congratulations! Your household has been selected to receive an additional $10, for a total of a **$20 thank-you gift card** after completing Part 2 of the study .

If extraincentive=0: After completing Part 2, your household will receive a **$10 gift card** as thanks.

All except seg 99: **What type of gift card would you like to receive?**
The amount on the gift card will be the same no matter which gift card you choose.

- Amazon e-gift card (delivered by email)
- Starbucks e-gift card (delivered by email)
- Amazon mailed gift card (will take longer to arrive)
- Starbucks mailed gift card (will take longer to arrive)
- None – prefer not to receive a gift card

If segnum in (42, 43): The City of Redmond will also provide your household with an additional $10 after you complete the study.

Email asked of all (including seg=99). Email is required if chose e-gift card.

Email is optional if chose mailed or no gift card or if a volunteer respondent/reviewer (segnum 99).

Please provide an email address where we can <send your gift card and> send you reminders about the survey.

If you prefer not to receive reminders by email, you may provide a phone number on the next page instead.

You will only be contacted for this survey and your information will be protected within the bounds

Show to all; require one phone number if no email was provided at household level or for rMove hh member 1. Custom validation message if email is skipped and phone is skipped, telling people to provide at least one.

We offer user support and assistance during Part 2 of the survey.

Please provide one phone number that, if needed, we could use reach you during Part 2 of the survey.

As part of our privacy policy, you will only be contacted for this study and your information will be protected within the bounds of the law.

Dashboard for Group 2 (Diary)

Thank you again for your participation!

Next Steps

Keep track of your trips

We will provide a reminder to tell us about the trips each member makes on <**traveldate**>. Please remember to ask ALL adult members of your household to keep track of the trips they make on this day. In addition, adults will need to log trips for children under 18. You may use a Travel Log to help keep track of the details of your trips.

Return to this website to report your trips

Starting on <**traveldate + 1**>, each adult in your household may return to this website to record the trips made on <**traveldate**>. Your household's travel surveys will be available for one week after your travel date.

OR call in to report your trips

You may also call toll-free 1-844-247-8189 to complete the survey over the telephone.

Then you're done!

<Once your household has completed the study, we will send your selected gift card within 10 business days.>

[Do not show this sentence to segnum = 99]

Members	Part 2 Status
Adult 1	Completed
Adult 2	In progress
Child 1	Let's get started!
Child 2	Available after travel day
Etc.	Closed

LOGIC:

1. *Children under age 5 are not listed in the table (do not complete the travel diary)*
2. *All other HH members would be listed in the table*
3. *Surveys become available at midnight after the travel date*
4. *Surveys expire 9 days after travel date (including travel date)*

Possible survey statuses shown at left as examples

Show note about children under 5 below table:

Note: Children under the age of 5 do not need to complete Part 2 of the survey.

Dashboard for Group 1 (rMove)

Thank you again for your participation!

Next Steps

Look for an email within 48 hours

We will send an email with instructions on how to download the rMove app onto your smartphone<s>.
If you do not receive an email, please contact us at help@psrc.org or 1-844-247-8189.

Download rMove onto your smartphone<s> *[plural if more than one participating member]*

Each participating household member should download rMove onto their smartphone: <person 1>, <person 2>, etc.
rMove will automatically record your trips during your travel period (<traveldate1> through <traveldate7>).
Make sure to carry your smartphone with you during all the trips you make.

Complete any surveys in rMove

rMove will ask you short surveys about the trips you take and your daily travel habits.
Each participating household member should complete their surveys.

Answer a few brief questions about your typical travel experiences and preferences

Use the links below to answer a few short questions about how you typically travel around the Puget Sound region and your preferences about various travel options. You can answer these surveys any time during your travel period.

Then you're done!

<Once your entire household has completed the study, we will send your selected gift card(s) within 10 business days.> *[Do not show this sentence to segnum = 99]*

Members	Preference Survey Status
Adult 1	Completed
Adult 2	In progress

LOGIC:

1. *Children under age 5 are not listed in the table (do not participate)*
2. *All other HH members would be listed in the table*
3. *Surveys are available starting on the LAST rMove travel date*
4. *Surveys expire 9 days after LAST rMove travel date*

Possible survey statuses shown at left as examples
