Segment 98: Online panel testers

Segment 99: Email volunteers / testers

Travel Diary Participation Groups:

Group 2: All participants will complete both sections of the survey online. For consistency with previous years of data collection, all respondents will be assigned to "Group 2" (online participation).

1.0 PART 1: RECRUIT

1.1 [INTRO]

Thank you for your participation!

The purpose of the **Puget Sound Regional Travel Study** is to better understand the travel patterns and travel needs of residents like you. **Your participation is very important to us, even if your typical travel has changed due to COVID-19.** By participating in this survey, you will have a significant impact on future transportation planning decisions as travel changes throughout the region.

Programmer: Show this text to segments 3 and 99:

You are invited to this survey because you provided an email address to PSRC and agreed to be contacted in the future.

Programmer: Show this text to all:

This study is conducted by RSG for the Puget Sound Regional Council. We are committed to your privacy and we take it very seriously. Privacy information for this survey is available.

Programmer: Link "Privacy information for this survey" to privacy documentation on website.

If you have any questions or concerns, you may visit the study website for more information or contact us directly.

Programmer: Link to study website and contact page above.

1.2 [INSTRUCTIONS]

Here are some tips to help you complete the Puget Sound Regional Travel Study.

How do I go from question to question? After you have answered all questions on a page, use the "Next" button at the bottom of the screen to advance. If you need to back up, click the "Previous" button. **Please do not use your web browser's "Back" button.**

Can I complete this survey on a mobile device? We recommend taking the survey on a tablet or laptop/desktop, but the survey will also work on smartphones.

What if I need to stop taking the survey before I finish? No problem. You can always return to the website later and reenter your password to pick up from where you left off. All of your answers will automatically be saved for you.

Now, let's get started.

- o   Starbucks mailed gift card (will take longer to arrive)
- o   None – prefer not to receive a gift card

8.3 [DIARY_EMAIL]

if group = 2 (online diary)

Please provide an email address where we can send <your gift card and> reminders about the survey.

Programmer: Text box entry with validated email format. Email is required if incentive is e-card.

If you prefer not to receive reminders by email, you may provide a phone number on the next page instead. You will only be contacted for this survey. Please <u>click here</u> to view our privacy policy.

Programmer: Link "click here" to privacy policy.

8.4 [INCENTIVE_PERSON]

if group = 1 (rMove) and age = 18+

Thank you for participating in the smartphone study! There are just a few more questions in Part 1 to prepare your household for Part 2.

Programmer: Hide incentive info if seg = 97 - 99

After your household completes Part 2 of the survey, we will send each adult a $25 gift card as thanks.

What type of gift card would each person like to receive after participating in Part 2 of the survey?

Please provide an email address where we can send <the gift card and> more information about the survey.

You will only be contacted for this survey. Please click here to view our privacy policy.

Programmer: Link "click here" to privacy policy.

if survey segment <> 99 (volunteer/tester)

Programmer: Include dropdown for each adult age 18+

Your Household's Next Steps

Keep track of your trips on your travel day: Your travel day is <traveldate>. Please remember to ask ALL members in your household to keep track of their trips on this day.

Programmer: If traveldate - current date >= 1:

We will remind you to tell us about the trips each household member makes on this day.

Report your household's travel on this website or by phone: Starting on <today/traveldate + 1>, each adult in your household may return to this website to record the trips they made on <traveldate>.

To report your travel by telephone instead of using this website, you can call toll-free at 1 (844) 807-4540.

Your travel surveys will remain available until <traveldate + 8>, after which you will be unable to complete them.

Note: Children under the age of 5 do not need to complete Part 2 of the survey.

9.0 PART 2: TRAVEL DIARY

9.1 [PROXY]

if age = 18+

Programmer: Ask all age 18+; if under 18, assume proxy = 3 (adult answering for child)

Programmer: This is the first question for all adults. For kids with copied trips, trips_confirm is first question. For kids without copied trips, first question is loc_start. Show 'previous' button on those pages for adults (not the first question), but hide 'previous' button on those pages for kids (first question)

To better understand how households are completing the study, we would like to know if someone other than <Name> is filling out this portion of the survey.

Are you <**Name**> **or are you filling out this survey on** <**Name's**> **behalf?**

- ○ I am <Name> and I am answering this survey

- ○ I am answering this survey for <Name> and <Name> IS here with me to provide answers

- ○ I am answering this survey for <Name> and <Name> IS NOT here with me to provide answers

10.0 TRIP ROSTER

The "travel day" began at 3 a.m. on <**traveldate**> **and ended at 3 a.m. on** <**traveldate + 1**>**.**

10.1 [LOC_START]

Where <**were you / was Name**> **at 3 a.m. on** <**traveldate**> **(when the travel day BEGAN)?**

If <you were / Name was> traveling between places (in a car, on a bus/plane, etc.), please answer with the last place <you / Name> stopped BEFORE 3AM (even if it was a short stop such as to get gas).

- ○ Home

- ○ Work *if employment = full/part/self*

- ○ Another place

Programmer: Ask follow-up if place = "another place"

10.2 [LOC_END]

Where <were you / was Name> at 3 a.m. on <traveldate + 1> (when the travel day ENDED)?

If <you were / Name was> traveling between places (in a car, on a bus/plane, etc.), please answer with the last place <you / Name> stopped AFTER 3AM (even if it was a short stop such as to get gas).

- o Home
- o Work *if employment = full/part/self*
- o Another place

Programmer: Ask follow-up if place = "another place"

10.3 [ATTEND_SCHOOL]

if age < 18

On <traveldate> , did <name> travel to school?

Select all that apply.

If your child attends a daycare, please answer if <name> attended the daycare.

- ☐ Yes, <Name> traveled to school on <travel date>
- ☐ Yes, <Name> traveled to another location for schooling (e.g., friend's house, parent's work) on <travel date>
- ☐ No, <Name> did not travel for school on <travel date>
- ☐ Don't know
- ☐ Prefer not to answer

Programmer: Last three options in list are mutually exclusive.

10.4 [ATTEND_SCHOOL_NO]

if attend_school = "No, did not travel for school"

Why didn't <Name> attend school on <travel date> ?

Select all that apply.

- ☐ <Name> was sick or quarantining
- ☐ <Name> attended class online from home
- ☐ <Name> attended class online from another location (e.g., friend's)

☐ School was scheduled to be closed (e.g., vacation, holiday)

☐ School was closed or adjusted due to weather event (e.g., snow delay)

☐ Other

☐ Don't know

☐ Prefer not to answer

Programmer: Last three options in list are mutually exclusive.

10.5 [TRIPS_YESNO]

if loc_start = loc_end and did not attend school (among age <18)

<Your / Name's> day began at <loc_start> and ended at <loc_end>.

Did <you / Name> make any trips on <traveldate> , even if it was just a short trip such as a walk or bike ride?

o Yes

o No

o Don't know *if age < 18*

o Prefer not to answer *if age <18*

Programmer: Show if loc_start <> loc_end and age = 18+:

Thank you for your answers so far. Now, we'll ask you to provide details about the trips <you / Name> made on <traveldate>.

Please review the definition of a "trip" below, then click "Next" to continue.

What is a trip?

Anytime you traveled for 5 or more minutes and stopped at a new location, that equals 1 trip. Even if you stopped briefly for gas, at an ATM, or to drop a child off at school, each stop equals 1 trip.

What are some example trips?

- Drive to work
- Ride the bus to the bank
- Bike to the grocery store
- Get a ride to the movies
- Walk to school

What if I went out, but didn't make a stop (e.g., walked the dog or went for a bike ride)?

Please report 2 trips. The place that was farthest from where you began (such as the place that you turned around on a bike ride) is the "destination."
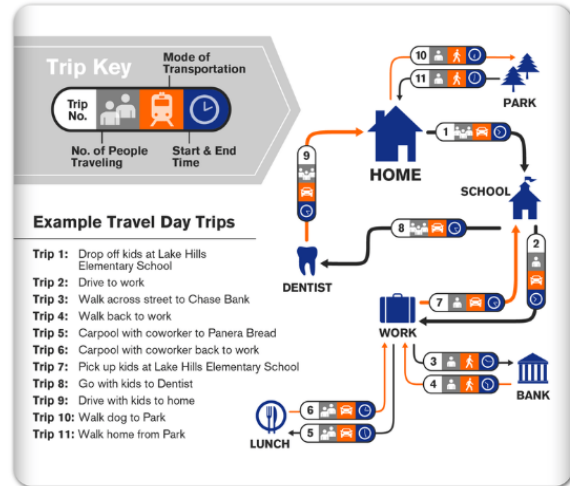

10.6 [NO_TRAVEL]

If made no trips

Why didn't you travel or make any trips on <traveldate>?

Please select all that apply.

- ☐ Was not scheduled to work or took a vacation/personal day *if employment = full/part/self*
- ☐ Worked from home for pay (e.g., telecommuted or home-based job) *if employment = full/part/self*
- ☐ Worked around home (not for pay)
- ☐ Kids were on school vacation/break
- ☐ Kids did online / remote / home school
- ☐ Had no available transportation (e.g., no car, no way to get to the bus)
- ☐ Was sick, quarantining, or caring for another person (child or family member) at home
- ☐ Stayed home to minimize exposure to COVID-19
- ☐ Was waiting for a delivery or visitor (e.g., cable installation)
- ☐ Other reason

Programmer: Ask follow-up if reason = "other reason"

10.7 [LOC_ROSTER]

If made trips and age = 18+

Please list, in order, all the places <you / Name> went between 3 a.m. on <traveldate> and 3 a.m. on <traveldate + 1>.

Please provide a unique name or short description for each unique/different place. If driven, got a ride, or rode a bike to/from a transit stop, include this stop as a place below. When all places are listed, click "Next" to continue.

Programmer: Show if person branches back from locs_confirm to add more trips:

Please INSERT any places you want to add (remember - you can drag the places to reorder the list).

10.8 [LOCS_CONFIRM]

If made trips and age = 18+

Listed to the right are all the places <you / Name> reported going on <traveldate>.

Programmer: Show list of reported trips in table to the right.

Do you have any trips to add to <your / Name's> travel on <traveldate> that you haven't already reported?

Please select all that apply.

☐ Yes, went out but didn't stop anywhere (e.g., jog or bike ride, walked the dog, Sunday drive)

☐ Yes, made one or more short trips in the middle of other activities (e.g., quick trip for lunch)

☐ Yes, stopped briefly on the way to somewhere else (e.g., gas, ATM, drive-thru restaurant)

☐ Yes, dropped someone off on the way to somewhere else (e.g., spouse at park and ride lot, child at a friend's house)

☐ Yes, walked to/from a parking garage or transit stop FURTHER THAN 5 MINUTES

☐ Yes, forgot to include another type of trip

☐ No, listed all trips

Programmer: Link 'didn't stop anywhere' to loop trip graphic

Note: It is important to share all trips, including short stops. This will help us with understanding transportation planning needs. Some types of trips (like walking the dog, bike rides, or short stops on the way to somewhere else) are easy to forget.

Programmer: If respondents select any "Yes" answers, branch back to locs. The second time they see this page, the "No" box will automatically be checked, but their original answers will be saved in the DB.

# 11.0 GEOCODE TRIP LOCATIONS

11.1 [LOCS_GEO]

if made trips and age = 18+

We'll now ask <you / name> to locate each place you went. Click a place below to begin locating it on the map. Once you've located a place, its button will turn green.

Once <you / name> have located all places in the list, click "Next" to continue.

Programmer: Locations are cycled through in sequential order from the roster; places visited more than once (with the same name) only have to be geocoded once. Locations that were geocoded in the recruit survey (home, work, school) will be shown with a prepopulated location that respondents can confirm or change.

Programmer: Geocode page, centered on Seattle
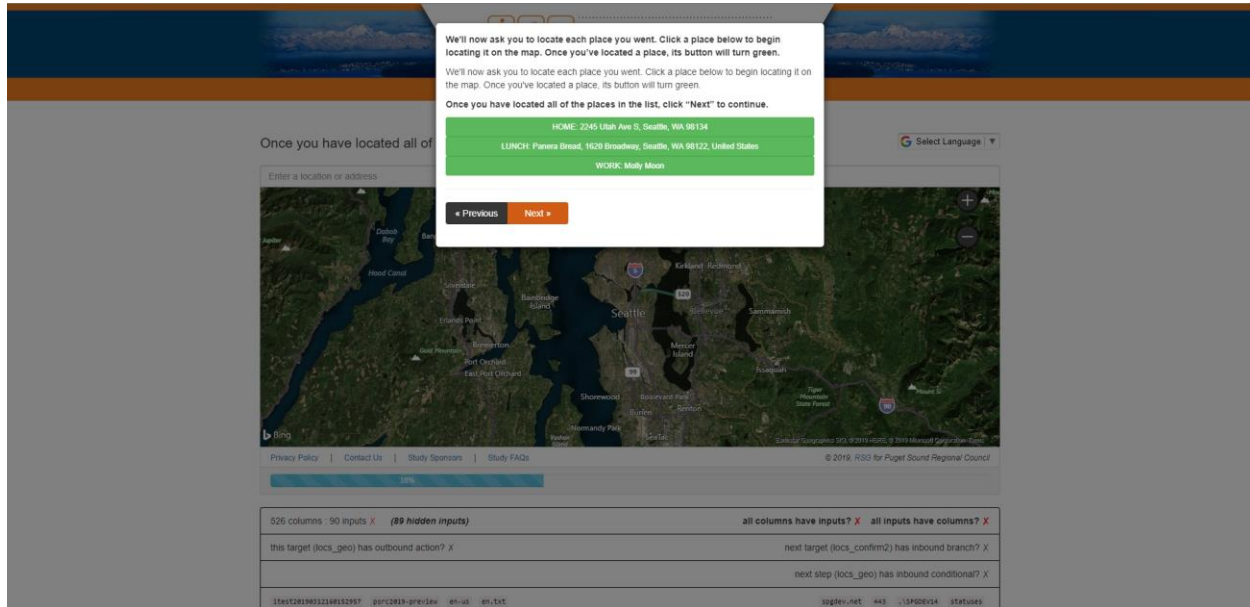

11.2 [LOCS_CONFIRM2]

if made trips and age = 18+

The list below should include all the trips <you / Name> made on <traveldate>.

If you need to add or remove trips, please click "Previous" to go back and edit your locations. If all of <your / Name's> trips from <traveldate> are shown below, please click "Next" to continue.

The list below should include all the trips you made on Monday, March 11, 2019.

If you need to add or remove trips, please click "Previous" to go back and edit your locations. If all your trips from **Monday, March 11, 2019** are shown below, please click "Next" to continue.

Trip #	Start	End	Approx. Distance
1	HOME	LUNCH	4.0 mi
2	LUNCH	WORK	0.8 mi
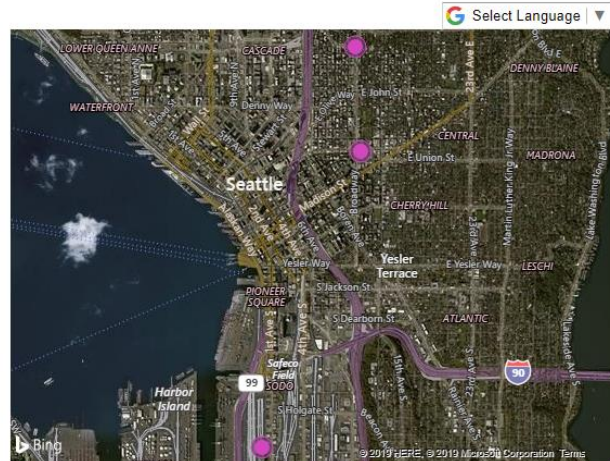

Programmer: If Bing returns trip distances, show the approximate distance. If Bing fails to return driving distances due to flight or ferry trip, hide that column.

Programmer: Show the error message below when gdistance=0 for one or more trips. For copied trips, remember to check if distances are already converted (km to mi). NOTE: error message should not stop participants from proceeding. It is simply a warning.

One or more trips are less than 0.1 mile long. If this is incorrect, press "Previous" to return to your list of locations and ensure that the same location has not been listed twice in a row.

14.0 COPIED TRIPS

if age = 18+

The Travel Diary allows household members to "copy" trips that previous members reported them being on. This feature reduces respondent burden and increases data accuracy. This feature works as follows:

The first HH Member will need to list and describe ALL of their trips (as described on the previous pages)

For HH Members 2 - n, if they are NOT reported on any previous members' trips, they will also simply list and describe all of their trips (previous pages)

For HH Members 2 - n that ARE reported as travelers in any of the previous members' trips, they will see an alternate set of survey questions for the first part of the diary

The following pages show the alternate questions that ask/allow household members to copy trips described by members who have already completed their diary

14.1 [COPY_TRIPS]

Below is a list of trips that other household members reporting making with <you / Name>. To make this easier, we can use the information they already provided if <you / they> made these trips together.

Please confirm the trips that <you / Name> made.

Trip first reported by	Start location	End location	Start time	End time	Traveled on trip	Confirm
Dad	Home	School	7:40 AM	7:55 AM	Adult 1, Child 2	☐
Mom	School	Piano Lesson	2:55 PM	3:25 PM	Child 2	☐
Mom	Piano Lesson	Gas Station	4:35 PM	4:50 PM	Adult 1	☐
Mom	Gas Station	Home	5:00 PM	5:45 PM	Adult 1	☐
		None of the above				☐

14.2 [COPY_TRIPS_FIRST_LAST]

if confirms 1+ copied trips

Programmer: If person was not reported on previous trips or chose not to confirm any of the trips, they will continue as normal from the 'location start' question.

The "travel day" began at 3 a.m. on <traveldate> and ended at 3 a.m. on <traveldate + 1>.

14.3 [COPY_FIRST]

Was the following trip the first trip <you / Name> made on <your / their> travel day?

<place x> to <place y>, from <start time> to <end time>

- o Yes
- o No

14.4 [COPY_LAST]

Was the following trip the last trip <you / Name> made on <your / their> travel day?

<place x> to <place y>, from <start time> to <end time>

- o Yes
- o No

Programmer: If person confirms previous trips, but says he/she started or ended at a different location (i.e., respond 'no' to one or both of the above questions), survey will jump to loc_start_end before proceeding to the next page.

14.5 [TRIPS_YESNO_COPY]

Thank you for your answers so far. Now we'll ask you to provide details about the trips <you / Name> made on <traveldate>.
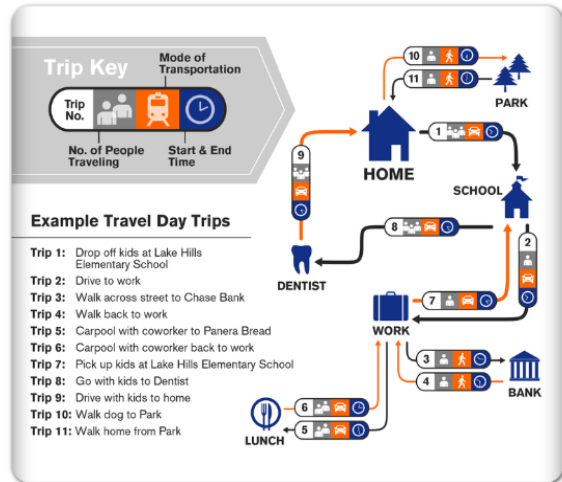

Please review the definition of a "trip" below, then click "Next" to continue.

14.6 [LOC_ROSTER_COPY]

if made trips

Please list, in order, all the places <you / Name> went between 3 a.m. on <traveldate> and 3 a.m. on <traveldate + 1>.

Please provide a unique name or short description for each unique/different place. If you drove, got a ride, or rode a bicycle to/from a transit stop, include this stop as a place below. When all your places are listed below, click "Next" to continue.

Programmer: Show if person branches back from 'locs_confirm' to add more trips:

Please INSERT any places you want to add (remember - you can drag the places to reorder the list).

Programmer: Copied destinations are shown, and new destinations can be inserted between. Multi-location geocoder will ask person to locate NEW locations, but not copied locations.

Programmer: Validation: Warn if copied trips create trips to/from the same location (0-mile trips).

14.7 [LOCS_CONFIRM]

if made trips

Listed to the right are all the places <you / Name> reported going on <traveldate>.

Programmer: Show list of reported trips in table to the right.

Do you have any trips to add to <your / Name's> travel on <traveldate> that you haven't already reported?

Please select all that apply.

- ☐ Yes, went out but didn't stop anywhere (e.g., jog or bike ride, walked the dog, Sunday drive)

- ☐ Yes, made one or more short trips in the middle of other activities (e.g., quick trip for lunch)

- ☐ Yes, stopped briefly on the way to somewhere else (e.g., gas, ATM, drive-thru restaurant)

- ☐ Yes, dropped someone off on the way to somewhere else (e.g., spouse at park and ride lot, child at a friend's house)

- ☐ Yes, walked to/from a parking garage or transit stop FURTHER THAN 5 MINUTES

- ☐ Yes, forgot to include another type of trip

- ☐ No, listed all trips

Programmer: Link 'didn't stop anywhere' to loop trip graphic

Note: It is important to share all trips, including short stops. This will help us understand transportation planning needs. Some trips (like walking the dog, bike rides, or short stops on your way to somewhere else) are easy to forget.

Programmer: If respondents select any "Yes" answers, branch back to locs. The second time they see this page, the "No" box will automatically be checked, but their original answers will be saved in the DB.
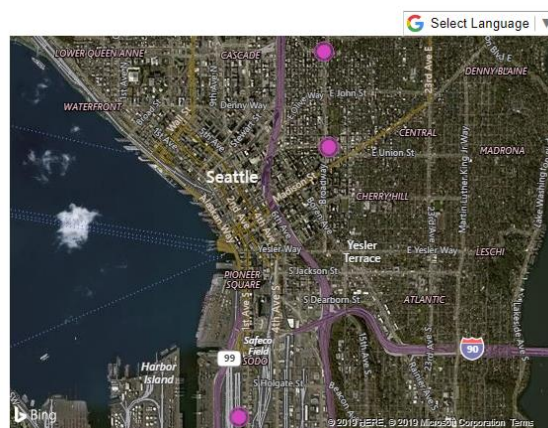

14.8 [LOCS_CONFIRM2]

The list below should include all the trips <**you / Name**> **made on** <**traveldate**>**.**

If you need to add or remove trips, please click "Previous" to go back and edit your locations. If all of <your / Name's> trips from <day of week>,<traveldate> are shown below, please click "Next" to continue.

Programmer: If Bing returns trip distances, show the approximate distance. If Bing fails to return driving distances due to flight or ferry trip, hide that column.

Programmer: Show the error message below when gdistance=0 for one or more trips. For copied trips, remember to check if distances are already converted (km to mi). NOTE: error message should not stop participants from proceeding. It is simply a warning.

One or more trips are less than 0.1 mile long. If this is incorrect, press "Previous" to return to your list of locations and ensure that the same location has not been listed twice in a row.

15.0 COPIED TRIPS: TRIP DETAILS

Programmer: Show for any previously reported trips that the person confirmed. Respondent will report the trip purpose for all copied trips. All other trip details are automatically copied behind the scenes.

Here are the details for <your / Name's> trip from <place x> to <place y> that were reported by another member of your household:

Departed: <start loc> at <start time>
