## **Regional Staff Committee Meeting Summary**

Date: July 21, 2022

**Location: Remote Only** 

Presentations from the meeting are available on the PSRC website: <a href="https://www.psrc.org/rsc-meetings">https://www.psrc.org/rsc-meetings</a>. Audio recording of the meeting is available

by request.

#### **Introductions and Announcements**

Kelly Snyder, Co-Chair, called the meeting to order at 9:30 am. Participants were asked to view the meeting attendance on the "chat" feature on Zoom, and phone-in participants were asked to identify themselves verbally.

#### **Reports**

Co-Chair Kelly Snyder welcomed the committee members and explained that PSRC staff would provide short updates on upcoming policy and Executive Board meetings and review the status of ongoing projects in the work program.

Ben Bakkenta, Director of Regional Planning, shared that a position on the Regional Planning team was opening in early August, for an Associate Economic Development Specialist, and asked for members to share the posting with their networks. He also mentioned that the kick-off for the Passport to 2044: Comprehensive Plan Workshop series was well attended, with close to 300 attendees. For more information on past or future Passport workshops, check out the series page <a href="here">here</a>. Ben shared content and registration information for the TOD For All: Planning for 1 Million+ New People Near Transit webinar and walking tour. This event is scheduled for October 21, with the webinar from 9 am to 12 pm, and the walking tour from 1:30-3:30 pm. Please note that registration for the webinar and walking tour are separate, with more information available <a href="here">here</a>. Ben concluded his staff report by asking the committee to fill out a short survey assessing the PSRC planning processes for the development of the Regional Transportation Plan and funding programs, put forward by the Federal Highway Administration and Federal Transit Administration.

#### Discussion: Regional Housing Strategy Implementation – Typology

Laura Benjamin, Senior Planner, provided an update on the development of a typology, an implementation item identified in the Regional Housing Strategy. The committee was asked to provide feedback on the draft housing typology as it is further refined.

You can view the presentation here.

For more information, contact Laura Benjamin, Senior Planner, at <a href="mailto:lbenjamin@psrc.org">lbenjamin@psrc.org</a>.

### **Discussion: Regional Industrial Lands Analysis Update**

Ben Kahn, Associate Planner, provided the committee with a progress report on the Industrial Lands Analysis scope and timeline, a review of local jurisdiction outreach, and initial data analysis findings. PSRC is in the process of updating Regional Industrial Lands Analysis with the direction of the Economic Development District Board, Growth Management Policy Board, and Freight Advisory Committee.

You can view the presentation <u>here</u>.

For more information, contact Ben Kahn, Associate Planner, at bkahn@psrc.org.

# Discussion Item: Household Travel Survey Program – Insights from 2021 Data & 2023 Updates

Brian Lee, Program Manager, and Suzanne Childress, Data Scientist, provided early insights from the 2021 household travel survey data, and updates to the upcoming 2023 survey.

You can view the presentation here.

For more information, contact Brian Lee, Program Manager, at <a href="mailto:blee@psrc.org">blee@psrc.org</a>, or Suzanne Childress, Data Scientist, at <a href="mailto:schildress@psrc.org">schildress@psrc.org</a>.

### **Adjourn**

The meeting adjourned at 11:15 am.

**DISCUSSION ITEM** October 20, 2022

**To:** Regional Staff Committee

From: Craig Helmann, Director of Data

Subject: Data Day

#### **IN BRIEF**

The October 20th Regional Staff Committee meeting will be Data Day. PSRC Data staff will host a presentation and conversation on various Data products available for use by agencies across the central Puget Sound Region.

#### DISCUSSION

PSRC continually builds and improves tools and data resources for use by agencies across the Puget Sound region for use in local and regional planning. These resources should be particularly valuable for upcoming updates of local comprehensive plans and other planning efforts. At the October meeting, staff from the PSRC Data team will share highlights and uses for four different data products that have been developed at PSRC:

- 1. Data Portal
- 2. Census Data Products
- 3. Model Development
- 4. Household Travel Survey

The four presentations will look at the various resources and highlight their uses. Following each presentation, PSRC staff will take questions and comments from committee members.

#### Lead Staff

If you have any questions, please contact Craig Helmann, Director of Data, at <a href="mailto:chelmann@psrc.org">chelmann@psrc.org</a>.

# PART 1

**9:00 a.m. – 12:00 p.m.** Zoom – Virtual Panels

# PART 2

1:30 p.m. — 3:30 p.m. In Person Walking Tours

The region is growing and making historic investments in transit, with over one million new residents expected to live near high-capacity transit by 2050. Join industry and community leaders to explore innovative techniques and best practices to build and sustain equitable transit communities that are accessible to all people and help to achieve the region's vision for growth.

Free to attend. Online registration is now open.

## **Advancing Equity, Health, and Resiliency with Stormwater Parks**

Manchester Stormwater Park, Kitsap County

Stormwater parks can help with many challenges that cities and counties face, such as equity, health, and resiliency. Stormwater parks are facilities that provide both stormwater treatment and recreation. They address climate resilience and community health through increasing access to green space and recreation. They can help advance racial equity when built in communities underserved by parks and by supporting Tribal treaty rights. Stormwater parks vary greatly in form, function, and size, so they can work well on a variety of sites. The objective of the session is to show different types of stormwater parks and share knowledge on planning them. The session will share funding sources for the planning, construction, and maintenance of stormwater parks and provide an overview of the Planning for Stormwater Parks guidance document.

Please join us at our next Peer Networking event on November 4 to hear from local jurisdictions in the central Puget Sound region on their experience in planning stormwater parks. In the afternoon, there will be an opportunity visit a stormwater park at Point Defiance in Tacoma.
