Comments In memory of Michael B. Fuller sui juris Private Attorney General Juris de Jure. I don't know what to say other than I am so sorry Michael the honorable he liked to be called in his war torn body not a veteran but both of his fathers served in wars and his sister and brother were veterans. He started his work way before I met him. Association Against Homelessness in America save our children and our elderly. I feel his city killed him and he

Additional Comments:

Fighting for justice and being ignored contributed to his death. He fought for disabled rights because he was disabled I am requesting that when those disabled chairs come for us outside the council chambers that a bench or maybe where we were racially profiled on the first floor that show a chair or something dedicated to all handicapped and disabled are welcome regardless of race, color, or creed or any such things.

No more racial profiling or Racism  
we say no more.

As necessary?
