Committee Discussion

A photograph of a white Swift bus with blue and green accents, parked at a station. The bus has a corrugated metal section on its side. In the background, a tall sign with the Swift logo is visible. A semi-transparent white box is overlaid on the image, containing a list of discussion points.

- Should any of the potential work plan topics be prioritized?
- Are any key topics or tasks missing?

Next Steps

The background of the slide features a modern, multi-story apartment building with a mix of white, yellow, and grey siding. The building has numerous windows and balconies. In the foreground, there is a lush garden with tall, brown, feathery grasses, green shrubs, and many bright yellow flowers. A concrete bench is visible on a grassy area to the left. The sky is clear and blue.

- The committee will begin implementation of the 2023 work plan at its next meeting on March 17
