Regional Project Evaluation Committee Meeting Summary

Date: January 27, 2023 from 9:30 a.m.-11:00 a.m.

Location: Remote – Online Meeting Only (Zoom Connection)

Introductions and Announcements

Doug McCormick, PSRC, welcomed everyone at 9:30 a.m. He then took a roll call to confirm the members and alternates present.

Approval of Meeting Summary

The December 2, 2022, RPEC meeting summary was approved as presented.

Transportation Policy Board Debrief

Kelly McGourty, PSRC, reviewed the Transportation Policy Board meeting held on Thursday, January 12, 2023. The 'At Work' report for this meeting is available on the PSRC website at: <https://www.psrc.org/boards-committees/upcoming-meetings/meeting/2022/september/transportation-policy-board-hybrid>.

Discussion: Regional Transportation Plan Implementation

Kelly reported on several current and future implementation efforts from the Regional Transportation Plan, including the 2030 climate analysis, a performance dashboard and the safety work program. As follow-up, Kelly sent the climate technical background document and the link to the dashboard for further review.

For more information, contact Kelly McGourty, at kmcgourty@psrc.org.

Discussion: Project Tracking and Delivery

Jennifer Barnes, PSRC, provided information on the upcoming Project Delivery Working Group and the schedule of activities to achieve 2023 delivery, including the process for project sponsors to request obligation extensions.

For more information, contact Jennifer Barnes at jbarnes@psrc.org.

Discussion: RPEC Membership and Operating Procedures

Due to limited time, Kelly asked committee members to review the current operating procedures and membership parameters and send any proposed updates via email.

For more information, contact Kelly McGourty, at kmcgourty@psrc.org.

Rev. 1/2023

DRAFT 2023 REGIONAL PROJECT EVALUATION COMMITTEE OPERATING PROCEDURES

February 2023

Purpose

The Regional Project Evaluation Committee (RPEC) is composed of staff from PSRC's member organizations, representing city and county departments of transportation, ports, transit agencies, the Puget Sound Clean Air Agency, the Washington State Department of Transportation and tribes. The Committee's primary role is to make recommendations to the Transportation Policy Board regarding the distribution and monitoring of PSRC's federal funds. The Committee also serves an important role in providing input on other PSRC activities and products, such as the long-range metropolitan transportation plan.

Membership

RPEC membership reflects the need for a committee that is a workable size and also representative of PSRC's members. Representation is based on guiding principles adopted by PSRC's Executive Board and current population to the extent possible (see *Attachment A*). In addition, to ensure adequate representation from member agencies with an interest in PSRC's project selection processes, all ports, transit agencies, member tribal agencies, the Washington State Department of Transportation regional offices with responsibility for projects in the Puget Sound region and the Puget Sound Clean Air Agency will be represented. Membership will be reviewed every three years, as per PSRC's Board procedures; each time membership is updated, the rationale and background determined by the committee will be documented.

Each member will have a designated alternate. Please note, only designated members and alternates may participate at the table; all other representatives are welcome to attend as guests only. Further, the chairs of PSRC's Bicycle Pedestrian Advisory Committee, Regional Traffic Operations Committee and TDM Steering Committee will be invited to participate as nonvoting members to provide reports on activities of their respective committees.

Appointments for each member and alternate are to be provided in writing to PSRC from the appropriate department head or elected official. For individual cities and counties, this could be the County Executive, Mayor, Public Works Director, transportation department head, or other responsible official. For transit agencies, this should be the Executive Director or other responsible official. For the "Other Cities and Towns" representatives, appointments should be made by the appropriate countywide committees; currently these are performed as follows: for King County, the King County Sound Cities Association; for Kitsap County, the Kitsap Regional Coordinating Council; for Pierce County, the Pierce County Regional Council; and for Snohomish County, Snohomish County Tomorrow.

Countywide Chairs

The chairs of each of the four countywide staff committees should hold one of the membership seats identified above, through either the county, individual city or other cities and towns representation. These countywide committees are as follows: King County Project Evaluation Committee (KCPEC), Kitsap Regional Coordinating Council Transportation Technical Advisory Committee (TransTAC), Pierce County Transportation Coordinating Committee (TCC), Snohomish County Infrastructure Coordination Committee (ICC). Participation by the countywide chairs or their alternates is important to facilitate the sharing of information between the countywide committees and RPEC.

Attendance

All members or their designated alternate are expected to regularly attend committee meetings. Representation may be in person or via remote participation. Attendance will be monitored and reported to the committee one to two times per year. If representation by either the member or designated alternate is absent for three meetings in a 12-month period, PSRC staff will contact the jurisdiction to encourage more regular attendance and to inquire if the appointment needs to be updated.

Chair and Co-Chair Elections, Terms and Responsibilities

A Chair and Vice-Chair will be elected via an open nomination process and voting by the Committee. Terms will be for a maximum of four years, and the Chair and Vice-Chair elections should be staggered to allow for leadership continuity. The role of the chairs will be to facilitate discussions and actions by the Committee, and to ensure equal opportunity for participation by members present. As mentioned above, the Chair will also report to the Transportation Policy Board on Committee recommendations.

Committee Representation on Policy Boards

The RPEC Chair is assigned a non-voting seat on the Transportation Policy Board. The RPEC **Vice Chair serves as the alternate. The Chairs support PSRC staff in the presentation of RPEC recommendations and discussions to the board.**

Role with Other PSRC Committees

The RPEC Chair **or Vice Chair** (along with other RPEC representatives and the chairs of each countywide group) has a seat on the Regional Staff Committee.

Meeting Schedule and Agendas

RPEC typically meets every month on the 4th Friday, from 9:30a.m.-11:00a.m. Additional meetings are scheduled by the Committee as needed. A calendar of regularly scheduled advisory committee meetings for the year is posted on PSRC's website and provided to each committee.

Action Items will be clearly noted on Committee agendas, which will be distributed

approximately one week prior to each meeting. In general, if an item is not on the agenda, no action will be taken. However, under some circumstances, notification may be provided to the Committee via email, either to add an item to an upcoming agenda, or to ask for action via email vote. No actions will be voted upon without adequate advance notice to all members of the Committee.

Recommendations

Formal recommendations to be forwarded to the Transportation Policy Board (TPB) will be by vote. Voting procedures will follow Robert's Rules of Order for motions, amendments and discussion. A recommendation may be proposed by any voting member of the Committee, but motions may not be seconded by a representative from the same agency. Voting is not weighted, and each representative is allowed one vote. A quorum is not required, and all actions and recommendations shall be approved by a simple majority of the voting members present. Other recommendations pertaining solely to Committee activities, and which will not be forwarded to the TPB for action, may be achieved either by vote or by consensus. Alternates do not participate in recommendations if the representative is present. Minority positions may be forwarded along with the majority recommendation to the TPB.

Subcommittees

Working subcommittees are created as needed by RPEC. Subcommittees are assigned specific tasks and dissolved when the work is completed. Other staff in the region may be asked to serve on subcommittees to provide specific expertise or viewpoints.

Policy Board Representation / Guiding Principles

Counties represent both incorporated and unincorporated residents

Counties have a key GMA role in both incorporated and unincorporated areas including ultimately setting urban growth boundaries and allocating population and employment

King County plays a central role as the jurisdiction which includes the bulk of the region's population and employment

To meet these roles, membership of the policy boards should include a minimum of

1. One representative each from:
 - a. Each county
 - b. The metropolitan cities within each county
 - c. The other cities and towns within each county
2. King County should have two representatives

Beyond these minimums, representation should reflect population to the degree feasible

The total number of representatives from any County and its jurisdictions combined may not comprise 50% or more of the membership of the policy boards

VISION 2050 AWARDS

Puget Sound Regional Council

Call for Nominations 2023

The Puget Sound Regional Council is seeking nominations for the VISION 2050 Awards Program through April 1, 2023.

The VISION 2050 Awards celebrate progress to enhance the region's communities and natural environment while advancing equity and opportunity for all. The awards recognize innovative work by jurisdictions, Tribes, nonprofit organizations, businesses, and other groups in the region to create a better future for central Puget Sound.

We welcome nominations in the following categories:

On the Ground

Projects that show VISION 2050 in action today, including housing, mixed-use development or redevelopment, expanding access to opportunity, open space preservation, and transportation investments.

Planning Ahead

Comprehensive or subarea plans, economic development plans, climate action plans, equity initiatives, design guidelines, outreach programs, and other similar efforts that are shaping a positive future for the region.

Working Together

Cross-jurisdictional or public/private partnerships focused on solutions or working together to tackle tough problems and advance VISION 2050. Examples include multijurisdictional work on housing affordability, environmental and climate initiatives, corridor transportation planning, or other similar efforts to face long-term regional challenges.

The region's vision for 2050

is to provide exceptional quality of life, opportunity for all, connected communities, a spectacular natural environment, and an innovative, thriving economy. More information about the goals and themes of VISION 2050 can be found at www.psrc.org

Eligibility

Nominations must be for projects, programs, plans and partnerships in the four-county region (King, Kitsap, Pierce and Snohomish counties) that are developed in the public or private sectors, or through public/private partnerships. Any individual, business, agency, Tribe, organization or jurisdiction may submit a nomination.

Submit a Nomination!

Nominations must be submitted online through the [VISION 2050 Awards Nomination Form](#)
