- **Next Steps**

Overview

- **An online survey** is planned to be sent out in March.
- Information collected from the survey will help develop the **next Coordinated Mobility Plan** (the region's Coordinated Transit-Human Services Transportation Plan).
- **PSRC will conduct a comprehensive outreach** to service providers in partnership with mobility managers.

2024 Coordinated Mobility Plan Survey

Key survey elements include:

- **Basic service information**
(service type, contact information, etc.)
- **Additional section for volunteer driver programs**
- **Top origins and destinations**
(operations only)
- **Top transportation needs**

2024 Coordinated Mobility Plan Survey

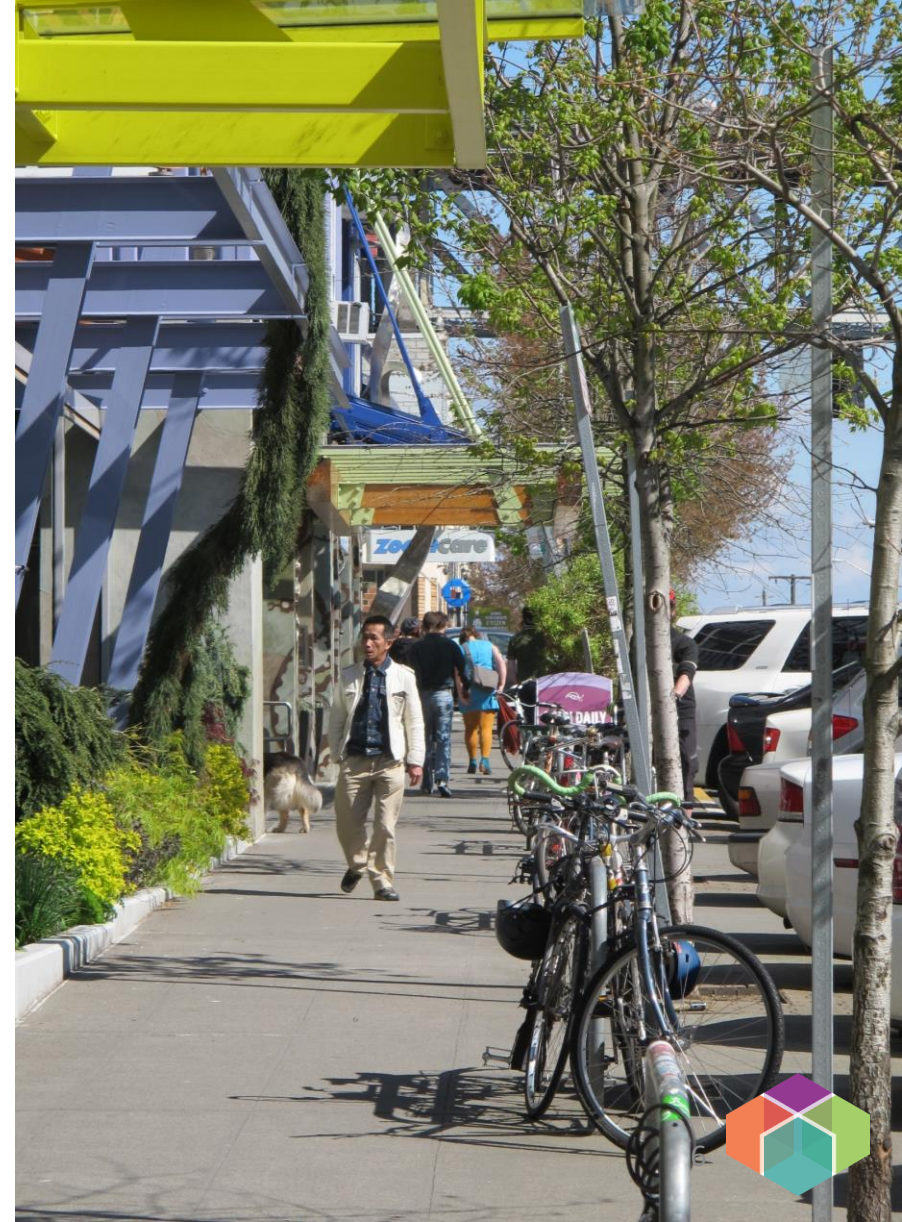

PSRC staff will follow up with agencies for additional data collection:

- **2019–2023 Performance data**
(if needed)

Discussion

- **Feedback & questions on the survey**
- **Additional resources or information for PSRC** on existing programs serving people with mobility and accessibility needs.

Next Steps

Early 2024

- Scoping/research
- March: Conduct inventory survey.

March–May 2024: Review survey results & follow up for further data collection.

Summer 2024: Public engagement begins.

Fall 2024: Perform analysis to identify service needs.

2025: Develop the next Coordinated Mobility Plan (plan adoption in 2026)
