

Puget Sound Regional Council

Regional TDM Stakeholder Meeting

Date: Thursday, March 20, 2025, from 1:00 p.m. – 2:30 p.m.

Online Meeting Only: Please [register for the meeting](#) to receive Zoom connection information

1. Welcome and Introductions (1:00)

2. 2026 Regional Transportation Plan Current Transportation System – Key TDM Findings (1:10)

PSRC staff will briefly review the development and adoption process and timeline for the next Regional Transportation Plan (RTP). Staff will also share TDM highlights from the regional TDM inventory and other sources. PSRC is planning to include these highlights in a current transportation system report to be published later this spring. We will ask for feedback from TDM stakeholders on these highlights.

3. Regional CTR Plan – PSRC Approach (1:45)

PSRC staff will share how we plan to address 2025-2029 Regional CTR Plan requirements in the RTP.

4. Local CTR Plan Review Progress and Discussion – (2:00)

PSRC will provide a progress update on our review of local CTR plans and provide an opportunity for stakeholders to provide feedback on the development and review process for 2025-2029 Local CTR Plans.

5. Overview of Future Engagement & TDM Roundtable (2:15)

PSRC will provide a quick overview of other stakeholder checkpoints in the RTP process this year and open up the floor for any feedback from attendees or “good of the order” information.

Meeting will conclude by 2:30 p.m.

Reminders:

- Information and updates on regional TDM work can be found at PSRC’s TDM webpage: <https://www.psrc.org/our-work/transportation-demand-management-tdm>
- TDM implementers and stakeholders in the region are encouraged to attend the state’s TDM Technical Committee meetings and other TDM-related forums. A list of TDM Technical Committee meeting dates and the link to join is available on the committee’s website: <https://tdmboard.com/calendar/meetings/>
