# Public Comments on the Draft 2025–2028 Regional TIP

Reflecting all comments received through October 14, 2024.

*Note: PSRC responds to every comment, and where appropriate forwards the comment to any affected jurisdictions.*

## Comment 1:

Spencer Clark, Woodinville

Regarding "Kirkland - NE 132nd Street Preservation": 124th Ave NE south of 132nd needs bike lanes badly. Ideally protected ones, but I'd take what I can get.

## PSRC Response to Comment 1:

Thank you for commenting on the Draft 2025–2028 Regional Transportation Improvement Program (TIP). Your comment will be provided to PSRC's Transportation Policy Board and Executive Board for their review in October and has been forwarded to the City of Kirkland via this reply.

## Comment 2:

Riley Avron, Seattle

Please do not add lanes, or widen existing highways. This might improve traffic temporarily, but induces yet more driving until the travel times are once again poor, with no net benefit and huge cost, financially and environmentally.

## PSRC Response to Comment 2:

Thank you for commenting on the Draft 2025–2028 Regional Transportation Improvement Program (TIP). Your comment will be provided to PSRC's Transportation Policy Board and Executive Board for their review in October.
